Health Services Academy

Message by Director QEC-HSA Mr. Nadeem Sajjad Kayani

"Quality Is Everyone's Responsibility." - W. Edwards Deming

Quality aspires doing it right when no one is eyeing. Everyone needs to be a yardstick of quality and expected to create an environment of excellence. The Quality Assurance Agency (QAA) of Higher Education Commission of Pakistan (HEC) has directed to establish Quality Enhancement Cell (QEC) in all HEI, responsible for proposing, designing, and implementing quality assurance and quality enhancement policies and programs in respective institutions. The QECs are ranked by QAA in various categories (W, X,Y,Z) as per performance evaluated under the policies and guidelines of HEC.

QEC-HSA is established to promote, enhance and assure the quality of higher education to achieve excellence in academia, research and capacity building of students, alumnus and health professionals. The objectives of QEC would be accomplished through teamwork in consultation and collaboration with all stake holders. HSA endures to strive for international rankings through innovation, perfection and assurance of the policies, procedures and standard of education. QEC will institute external linkages for attaining alternative sources by mobilizing the Career Counseling and Alumni Placement offices at HSA. The Quality Enhancement Cell is emerging as a vital part of administrative and academic structure of Health Services Academy, Islamabad under the leadership of the **Worthy Vice Chancellor, Dr. Shahzad Ali Khan**. The QEC, Health Services Academy, Islamabad is striving hard to be active, efficient and vigilant for implementation of quality enhancement strategies of international standards. The QEC aims to design effective quality framework for the institution in accordance with the peculiar needs of the era through consistent implementation of the best strategies in the world.

Vision: To be a benchmark in respect of Quality Education and Research among HEC Recognized Universities nationally

Mission: To ensure and enhance the Quality of Higher Education and develop a Learning Environment at Health Services Academy, Islamabad thus injecting trained health professionals in the health system of Pakistan to boost the health indicators.

Motto: "Set to Achieve Excellence"
