Future Activities for Year 2020-2021

A. HPTT Stakeholders Engagement Plan:

4 National Level and 4 Provincial Consultative Meetings

B. Policy Briefs: On Thematic Areas of Public Health

C. HPTT Health Policy Internship Program

D. 2nd Annual Report with Policy Recommendations to be Published on Important Health Concerns. (July 2021)

Today's Meeting: Covid-19 Vaccine in Pakistan

Aims: To deliberate on Covid-19 vaccine in Pakistan and learn from stakeholders' experiences and expert opinion on it.

Specific Objectives

1. How should the communication strategies be shaped and developed, knowing the perception challenges of COVID-19 vaccine?
2. What is needed to develop fast-track transparent system for approval and registration of COVID-19 vaccine?

Expected Output

Recommendations of today's meeting will be compiled in form of a Meeting Report.

Report also shared with the stakeholders and will part of the annual report that will be published in July 2021.
