PG Diploma Course in Environmental Law and Policy (PGDELDP)

Weekend Program

One Year Post Graduate Diploma in Environmental Law and Policy is the exclusive tailor-made programme announced with an aim to provide opportunities for law graduates, environmental professionals and students from other relevant fields having an interest in the field of environment to enrich their understanding of the environmental issues, institutional framework for environment, and initiatives in the field of environmental law and policy. The 'PG Diploma in Environmental Law and Policy' is a one-year programme which is divided into two semesters.

Programme Objectives

The objectives of the programme are to:

- provide comprehensive knowledge of environmental issues both regional and global
- enhance understanding of environmental law and policy initiation at national and global level
- develop contextual knowledge base of international Environmental Law & Policy with key global environmental issues
- to facilitate effective engagement with environmental laws through developing practical skills
- produce well-informed professionals equipped with skills and competencies in environmental law

Target Group

The programme is useful to students and working professionals from various streams who seek to enhance their skills on legal interventions for environmental protection and also bridge the gap between theory and practice. Law graduates, Legal practitioners, Environmental professionals, Corporate Executives, Government officials, Media and NGO personnel seeking to enrich their professional knowledge are encouraged to apply.

Eligibility

- Graduation in any stream.
- Work experience, although not necessary, but of a minimum of two years in the relevant field is desirable.
- Admission will be granted strictly on merit and at the discretion of a selection panel.
- In some cases, the Applicant may be required to appear for a telephonic interview.
